

**Accessibility Advisory Committee****Date:** January 27, 2026**Key Focus Areas:**

The committee identified four priority focus areas, including:

- Increasing staff understanding of neurodiversity
- Continued work under the District Accessibility Plan
- Accessibility Week planning (June 1–5)

An ACT presentation on neurodiversity for staff is scheduled (online), though it will not be recorded and occurs during instructional time, limiting participation.

**Additional Notes:**

- Discussion of Accessibility Week (June 1–5)
- Overall tone of meeting described as positive and forward-focused

**DPAC Follow-Up:**

Potential opportunity to promote Accessibility Week in DPAC communications and explore parent education opportunities.
